Products

SME Advantages

- **Modular design**
- **Low Cost Installation**
- **Compact, Minimal Plot Space**
- **Standard Stainless Steel Coils**
- **Condensing Service**
- **QUICK PAYBACK**

Example Heat Sources

- **Diesel and Gas Engine Exhaust**
- **Turbine Exhaust Heat Recovery**
- **Furnace Exhaust Heat Recovery**
- **Boiler Economizers**
- **Any Hot Process Gas/Vapor**

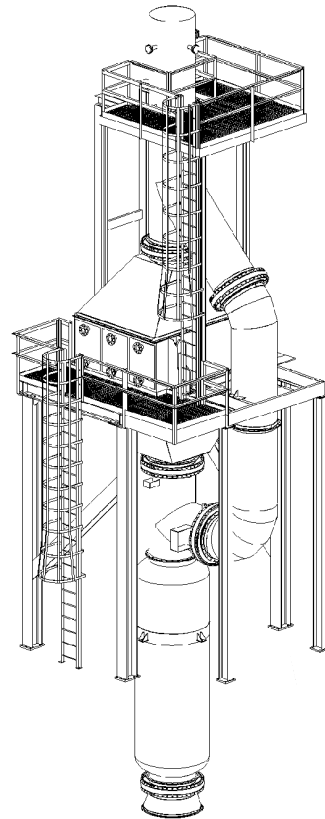

Example Uses

- **Boiler Economizers, Water Heaters**
- **Glycol, Amine and Oil Heaters**
- **Vaporizers**
- **Organic Rankin Cycle Generators**

Options

- **Full Ducting and Transition Packages**
- **By-Pass Diverters & Ducting**
- **Expansion Joints**
- **Pump and Tank Skids**
- **Silencers, Filters etc.**
- **Structure, Ladders, Platforms**
